I like this for the photo opps. :)

I have been blocked from MY LinkedIn, suspended from MY Twitter and my YouTube channel content is slowly being ‘reduced’. THAT IS MY DATA. MY PHOTOGRAPHS. MY WORK. I BEG YOUR PARDON? HOW IS THIS HAPPENING? And don’t try to tell me that this is price to pay for access to the internet and online exchange between folks. No. No. no.

By the way, there is a Telegram account kicking around that was NOT created by me. Whoever is posing as me is using **my good name** and **my photograph** (it is **my photograph** - **I took it**), without my permission. It is not my account. I have sent out more than 20 reports that it is fake, but I have heard nothing back from Telegram. The only change I have noticed is the Description. It currently reads: “UNOFFICIAL Fan channel !!!”. Yeah, unofficial and fraudulent. Do not subscribe to this account. And unsubscribe if you already have. It is NOT MY ACCOUNT. It is FRAUDULENT. If you want to repost my work, excellent. DO NOT USE MY IMAGE AND NAME WITHOUT MY PERMISSION. PLEASE.

The option to report using the platform’s method does not work.

This era of censorship will push the dissidents into learning to operate on distributed networks. The rest of the world will gradually follow when it learns that's where all the cool kids went.
